2017 in Review: New Opal Favorites!

Got Rhythm? Cultural Music Series

The Opal Center for Arts and Education and Music Money 501c3 collaborated to create and host a series of culturally diverse music concerts in Cottage Grove. This event took place in the Opal Center on the second Thursday of the month.

Creative Chaos

Creative Chaos was conceived when founder Carmen Dowell's best friend Monica Venice, who has Down Syndrome, wanted to act. Dowell explains, "A few years ago, I took her to an audition and the director told us to leave and didn't even give her the opportunity to audition. This led her to create Creative Chaos, an all-inclusive acting company for individuals with disabilities who want to be on stage.

Live Broadcast: War of the Worlds

There was no better way to spend Halloween evening than joining the Opal Center and KNND 1400AM for a live production of the original radio broadcast by Orsen Welles of H.G. Welles novel of a Martian invasion.

Whether you joined us in person as part of our 'live studio audience' or listened from home... it was a really thrilling good time!
